

**REMARKS**

Claims 3-10 and 14-21 were previously identified as being drawn to allowable subject matter. By this amendment, the features of claim 3 have been incorporated into amended claim 1, and the features of claim 14 have been incorporated into amended claim 12. Claims 3 and 14 have been canceled. Claims 4, 5, and 14 have been amended for proper claims dependency. The application now includes claims 1, 2, 4-13, and 15-21.

Based on the office action, this amendment places the application in *prima facie* condition for allowance, and overcomes the rejection of claims 1, 2, and 11-13 as being obvious over Logan in view of Baker.

In view of the foregoing, it is respectfully requested that the application be reconsidered, that claims 1, 2, 4-13, and 15-21 be allowed, and that the application be passed to issue.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

A provisional petition is hereby made for any extension of time necessary for the continued pendency during the life of this application. Please charge any fees for such provisional petition and any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 50-2041.

Respectfully submitted,
